

FAMILY OWNED

AMERICAN PROUD™

Social Media Assets And Posting Guide

American Made Is More Than A Label

A partnership can only be built on trust. There is nothing more disheartening than seeing products in our industry labeled as American made when they simply aren't. Flint & Walling is committed to a level of integrity and transparency you can trust. We are proud that a majority of Flint & Walling branded products are Made in the USA using a majority of U.S. Content. Since 1866, Flint & Walling has stayed proud of our U.S. commitment. Buying Flint & Walling means that you're supporting the American workforce.

A Guide To Our American Made Label

Flint & Walling has been Family Owned and American Proud since 1866, and you will see this is part of our logo today. Family Owned stands for hard work, dedication and service. American Proud represents our commitment to supporting domestic suppliers and managing quality through our American work place.

Made in the USA is used when the final product includes all or virtually all U.S. content.

Made in the USA using a Majority of U.S. content is used when the final product is made using a majority of U.S. content.

Social Media Templates

We understand what it takes to run a family-owned business. Hard work, dedication and a lot of grit. We are committed to making it easy to promote your business and family-owned, American-proud products. That's why we've created a set of social media posts that you have exclusive rights to share on your company's page.

"Flint & Walling was the first company to introduce a horizontal jet pump in the 1940's. Since then our team has been producing our 56 frame jet pumps right here, in Kendallville, Indiana, using a majority of U.S. content - delivering on our promise of crafting quality products you can trust."

#FlintandWalling
#FamilyOwned
#AmericanProud

"Flint & Walling is American to the core. Under the ownership of an American family, Flint & Walling has stayed true to our values – to produce high-quality products, and to create American jobs. Since 1866, Flint & Walling has prided themselves on their U.S. commitment. With the majority of F&W branded products being made in Kendallville, IN, using a majority of U.S. content, buying Flint & Walling means that you're supporting the American workforce."

#FlintandWalling
#FamilyOwned
#AmericanProud

"Flint & Walling believes in sourcing materials locally whenever possible. Proud of our U.S. commitment, a majority of our suppliers for our F&W brand are located within a five-state radius of Kendallville, IN. Close enough to be accountable partners in quality."

**AMERICAN.
TO THE CORE.**

FLINT & WALLING 4-INCH MOTORS
The only 4-inch submersible motor made in the USA.

To us it's not enough to build premium 4" submersible pumps. We also build our own premium 4" 60HZ submersible motors, using a majority of U.S. content, right here in Kendallville USA.

We insist on using quality materials, skilled American workers, and testing our 4-inch motors again and again.

We do this, all to ensure our 4-inch motors will perform and pass the ultimate test—yours.

That's premium quality and reliability—that's American. To the core.

SOME THINGS NEVER CHANGE

FAMILY OWNED

AMERICAN PROUD™

Flint & Walling is proud of our 150+ year tradition of manufacturing quality products in Kendallville, IN. With the majority of our F&W branded products manufactured in the U.S. using a majority of U.S. content, Flint & Walling is committed to keeping jobs in America.

DEEPLY AMERICAN.

 Founded one year after the Civil War ended, we're An American company, owned by an American family that makes its products right here in Kendallville, USA. But it goes even deeper.

We source materials from U.S. suppliers and our motors and pumps are expertly crafted and tested in-house by skilled American workers.

Deeply American, through and through.

AMERICAN. TO THE CORE.

FLINT & WALLING 4-INCH MOTORS
The only 4-inch submersible motor made in the USA.

To us it's not enough to build premium 4-inch submersible pumps. We also build our own premium 4" 1/2-2 HP, 60HZ submersible motors using a majority of U.S. content, right here in Kendallville USA.

We insist on using quality materials, skilled American workers, and testing our 4-inch motors again and again.

We do this, all to ensure our 4-inch motors will perform and pass the ultimate test—yours.
